Mr. Murray McCully, MP
Hon: Minister of Foreign Affairs
Wellington.

Hon: Sir,

CHOGM 2013

We wrote to you last time when CHOGM was held in Australia with a request to explore the possibility of suspending Sri Lanka from the Commonwealth on account of Sri Lanka's deviation from the norms on which the Commonwealth was founded.

Situation in Sri Lanka is deteriorating day by day on all fronts with steps being expedited in quick succession on the structured and stratified genocide.

The British Commonwealth as it was known at the initiation, was founded on the solemn undertaking that the one time British Colonies would continue to uphold the traditions and conventions evolved in good democratic governance and maintenance of the independence and impartiality of the Judiciary in the administration of justice..

Sri Lanka is soaked in Tamil blood with new roads and posh buildings coming up over hundreds of mass graves holding the bodies of over 150,000 innocent Tamils cunningly enticed into areas advertised as "**NO FIRE ZONES**" but predetermined to be their **GRAVES**. The Commonwealth cannot tarnish its image by stepping into a country blemished with sins – more so, let not Her Majesty the Queen step into this sinful country and bring disgrace to the Throne. In the alternative, please offer to host the CHOGM in New Zealand and save the dignity and decorum of the member States. It will also be an added pride for New Zealand.

Yours Sincerely,

A.Theva Rajan,QSM
Co-ordinator.
